Course 2 Week 1 Quiz

Quiz Instructions

Watch Professor Christian's week one video for Course II and take notes on key points. After you've completed the video you'll be asked to comment on the discussion page.

Also, you should have read chapters five and six in the Required Reading, <u>Examine Your Faith! Finding Truth in a World of Lies</u> so you can answer those related questions.

Question 1	1 pts
A worldview is an individual's perspective on life that impacts their actions based on:	
1. What	
2. How we
